The parties appeared for a status in the above captioned related cases on November 17, 2021.

21 Defense counsel have provided a list of specific items that they believe are missing from the
22 government's productions. The government is working to locate those items and meeting and
23 conferring with defense counsel. Defense counsel also requested further explanation of the mobile
24 Internet data files (referred to as coolminer files by the discovery coordinator). The government agreed
25 to meet and confer with defense counsel about these files. The Court set a further status on January 12,
26 2022. The parties have agreed that time should be excluded under the Speedy Trial Act from November
27 17, 2021 through January 12, 2022.

[PROPOSED] ORDER

Based upon the facts set forth on the record, for the reasons stated above, and for good cause shown, the Court finds that exclusion from the time limits applicable under 18 U.S.C. § 3161 (the Speedy Trial Act) for the period from November 17, 2021 through January 12, 2022 is warranted and that the ends of justice served by the continuance outweigh the best interests of the public and the defendants in a speedy trial. 18 U.S.C. § 3161(h)(7)(A). The failure to grant the requested continuance would deny the defendants the effective preparation of counsel, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(B)(iv).

DATED: November 24, 2021

Act.

HON. EDWARD M. CHEN
United States District Judge
